• **FAI GRANTS FOR NGOS (NON-GOVERNMENTAL ORGANIZATIONS)** •
2026 CONCEPT NOTE SUBMISSION: OPENS JUNE 8, CLOSES JUNE 30

The purpose of FAI grants is to help NGOs make use of academic research and engage with academic experts.

Read "What are FAI Grants?" [HERE](#) for important information, including eligibility.

For 2026, FAI grants will only support work that is focused on:

- 1. Financing animal agriculture industrialization in LMICs (low and middle-income countries)**
- 2. Corporate power and expansion of agribusinesses connected to animal agriculture in LMICs**

Two-step application process: 1) Concept Note submission open to everyone. 2) Full Proposal submission for invitees only.

Information to include in Concept Note:

Part A: Applicant's information

1. Name and full address of the organization.
2. Name, position, and contact information of the person responsible for communicating with Tiny Beam Fund.
3. (i) Is the organization registered with a government? (ii) Is it a U.S. 501(c)(3) organization, or does it have a fiscal sponsor in the U.S.? [Answering "no" to (ii) does not make the organization ineligible to apply.]

Part B: Amount requested. Reasons for applying. [300 words max for each question]

1. What issues in one or both of these areas will you focus on, and why do you choose these issues? (i) *Financing animal agriculture industrialization in LMICs* (low- and middle-income countries). (ii) *Corporate power and expansion of local or multinational agribusinesses connected to animal agriculture in LMICs.*
2. What amount (USD6,000 - 24,000) are you requesting?
3. What expenses will the grant funds cover? What specific work will the academic(s) use the grant funds to do?
Note: At least 75% of the grant funds must be given to the academic(s). At least one academic must be currently employed by a university.
4. Why are you interested in using academic research and/or academic researchers? What benefits do they give you that you cannot obtain in some other way?
